# MAG LOW TRACK

- EN** An elegant and affordable 48V magnet system designed to power compatible lights even in the DALI standard. The offer includes 3 different strips for surface or flush mounting with all the necessary accessories for maximum flexibility. Made from aluminum, available in white or black for a perfectly clean look.  
**Application:** shops, showrooms, commercial premises, residential buildings, apartments, single-family homes.
- DE** Ein elegantes und erschwingliches 48-V-Magnetsystem, das für die Stromversorgung kompatibler Leuchten auch im DALI-Standard konzipiert ist. Das Angebot umfasst 3 verschiedene Leisten für die Aufputz- oder Unterputzmontage mit allem notwendigen Zubehör für maximale Flexibilität. Hergestellt aus Aluminium, erhältlich in Weiß oder Schwarz, für einen perfekt sauberen Look.  
**Anwendung:** Geschäfte, Ausstellungsräume, Geschäftsräume, Wohnhäuser, Wohnungen, Einfamilienhäuser.
- IT** Un sistema magnetico da 48 V elegante e conveniente progettato per alimentare luci compatibili anche nello standard DALI. L'offerta comprende 3 diversi listelli per montaggio a superficie o ad incasso con tutti gli accessori necessari per la massima flessibilità. Realizzato in alluminio, disponibile in bianco o nero per un look perfettamente pulito.  
**Applicazione:** negozi, showroom, locali commerciali, edifici residenziali, appartamenti, case unifamiliari.
- CZ** Elegantní a cenově dostupný magnetický systém na 48V, určený k napájení kompatibilních svítidel i ve standardu DALI. V nabídce jsou 3 různé lišty určené pro přisazenou nebo zapuštěnou montáž s veškerým potřebným příslušenstvím pro maximální flexibilitu. Vyrobeno z hliníku, dostupné v bílé nebo černé barvě, pro dokonale čistý vzhled.  
**Použití:** prodejny, showroomy, obchodní prostory, rezidence, byty, rodinné domy.
- SK** Elegantný a cenovo dostupný magnetický systém na 48V, určený k napájaniu kompatibilných svietidiel aj v štandarde DALI. V ponuke sú 3 rozličné lišty určené na prísadenú alebo zapustenú montáž so všetkým potrebným príslušenstvom pre maximálnu flexibilitu. Vyrobené z hliníka, dostupné v bielej alebo v čiernej farbe, pre dokonale čistý vzhľad.  
**Použitie:** predajne, showroomy, obchodné priestory, rezidencie, byty, rodinné domy.
